Dear Ms. van Lith:

This is in response to your June 24, 1985, request for a copy of our 1983 CUSO survey. There was no NCUA survey of CUSO's in 1983. In 1984, NCUA staff did gather some information on CUSO's. The results of the information gathering were not formalized into a publicly available document. Therefore, there is no CUSO survey available.

I regret that we could not be of further assistance.

Sincerely,

STEVEN R. BISKER
Assistant General Counsel
