Dear Mr. Azar:

We recently received a copy of your advertisement letter dated June 1, 1986 (copy enclosed). The letter states, among other things, that,

"The National Credit Union Association (sic) is also furnished copies of the Directory . . . and have been very pleased with the results."

This statement is likely to be construed as an implied endorsement by the National Credit Union Administration (NCUA). While it is true that the NCUA has previously received copies of the Directory, NCUA does not endorse any products, services, literature, etc. Accordingly, we request that you refrain from using NCUA in all future advertisements.

Please contact me at (202) 357-1030 if you have questions regarding this letter.

Sincerely,

151

STEVEN R. BISKER  
Assistant General Counsel
