Re: Liability of Directors for Serving Alcohol at
Credit Union Functions (Your May 2, 1989, Letter)

Dear Mr. Coomer:

You have asked for a legal opinion concerning the liability of the board of directors and a Federal credit union should something happen to an intoxicated individual who was served alcohol at a credit union function. Neither the FCU Act nor the NCUA Rules and Regulations address this issue. We suggest that the board of directors of the credit union consult with a private attorney on this issue.

Sincerely,
