Re: National Security Archive v. Dept. of Defense  
(Your August 29, 1989, Letter)

Dear Mr. Schiffer:

The National Credit Union Administration routinely receives Freedom of Information Act (FOIA) requests from representatives of the news media. Most of our news media requesters work for newspapers and other periodic publications, many of which specialize in credit union or financial institution issues. We have not had any FOIA requests from the National Security Archive or any similar entity. Neither have we had any FOIA requester ask for news media status in light of the National Security decision.

Do not hesitate to contact me if further information is needed.

Sincerely,

A handwritten signature in cursive script that reads "Hattie M. Ulan".
